Re: Town of Stark Sickler Road Wind Project

Dear Supervisor Bronner,

We request that the Town of Stark withdraw our application for the Community Wind Project at 489 Sickler Road. We also request that the Town discontinue work related to processing the application including technical review by LaBella, and legal review by Bernard Melweski & Miller and Mannix. Please return the escrow funds at your convenience.

We appreciate the efforts of the Town Board in reviewing and considering Community Wind for the area. Please don't hesitate to reach out if you have general questions about Community Wind in the future.

Sincerely,
